

## Essential gear when you're traveling with the kids

SAN ANTONIO - If you're getting ready to travel, gear up with the perfect things for the kids to make your life easier. Erica Guevara stopped by San Antonio Living to share some of her gear ideas for the kids. [Click here to watch...](#)

**Snazzy Baby Travel Chair** (\$34 at retailers like Wal-Mart and amazon.com)

It's portable and weighs less than a pound, and rolls up in a convenient travel sack. It turns most regular chairs into an instant high chair. Perfect for travel or just a daily outing because sometimes restaurants don't have booster seats. It's a smart addition to any diaper bag. Available in red or navy.
